

Year 7 Literacy and numeracy catch up premium 2020-21

Year 7 Catch-up premium received

We expect to receive approximately £17,000 based on previous years. Due to the cancellation of KS2 SATs we have based intervention on teacher assessments provided by the primary schools. From this information the academy should receive funding for 89 students. 47 of these students (18% of the cohort) are below expected standard in maths. 40 students (16% of the cohort) are below expected standard in reading and 59 students (23% of the cohort) are below for grammar, punctuation and spelling.

Strategy

Students who have not achieved standard across all areas follow a modified curriculum. They do not study a modern foreign language and they have reduced contact time in History. Instead, they have two lessons per fortnight of both literacy and numeracy.

Reading ages for students are monitored and evaluated through Artinet Testing. All students have taught reading lessons each week as part of the curriculum. Students below standard are withdrawn from non-core subjects for 3 hours per fortnight for focused literacy intervention using Reading Plus. The impact of this is monitored regularly through speed of reading and understanding of context. The impact is measured termly.

Numeracy catch up funding is used to deliver a programme of intervention delivered by a maths HLTA every day for 30 minutes. It is also used to fund Times Tables Rock Stars for year 7.

Additional support:

Lexia (reading and writing package) – 60 minutes per day, 5 days per week.

Guided reading in terms two and three for students who do not have a reading age that matches or exceeds their chronological age – 20 minutes per day, 5 days per week.

Literacy Catch up		
Staffing	21 hours per fortnight reading intervention	£2,425
	4 hours curriculum time for numeracy and literacy	£574
	10 hours per fortnight handwriting and Lexia intervention	£1,435
	Planning, Preparation and Assessment (PPA) time	£775
Resources	40 Reading+ licenses	£4,500
	Lexi programme	£1,600
	Artinet Testing	£3,044
	Booklets	£150
Total		£15,219
Maths Catch up		
Staffing	HLTA numeracy intervention	£790
	HLTA in-class support	£1,190
	PPA	£160
Resources	Times Tables Rock Stars	£157
	Booklets	£200
Total		£2,497
Final total		£17,000
