(If not possible, a keep to the left/right procedure is in place across the academy). • Posters are displayed to remind occupants about handwashing and social distancing measures. • Outdoor sports are prioritised over indoor sports wherever possible. • Indoor sports take place in large spaces where outdoor sport is not possible, maximising distancing between pupils and with stringent hygiene and cleaning in place. <p>Visitors:</p> <ul style="list-style-type: none"> • A visitor policy is in place to ensure only essential visitors are on site, visitors are limited during academy hours and parent/carer visits are by appointment only, are only when essential and are with only one parent/carer wherever possible. 	<ul style="list-style-type: none"> • Use paint/chalk marks (indoors only)/ tape on the floor where appropriate to assist with social distancing. • Make additional use of outdoor learning spaces and structures (cleaned between groups as necessary) – SLT to consider whether these need to be timetabled to groups.
