2. The statutory tests and qualifications offered

The statutory tests and qualifications offered at this centre are decided by the Curriculum Consultant and Subject Leaders.

The statutory tests and qualifications offered are GCSE, A levels, AS levels, BTEC. Recently the academy has also administered QCA Optional and Progress Test for Yrs7 & 8 in English and Maths.

The subjects offered for these qualifications in any academic year may be found in the centre's published prospectus for that year. If there is going to be a change of syllabus from the previous year, the exams office must be informed by 1st July, in order that preliminary entries can be submitted to the exam boards.

At Key Stage 4

All candidates will be entitled, and enabled, to achieve an entry for qualifications from an external awarding body

At Post-16

Candidates follow courses of their choice (subject to entry requirements) and are entered for exams at the end of the course (Yr13)

3. Exam seasons and timetables

3.1 Exam seasons

Internal exams are scheduled throughout the year and currently include: End Nov – Yr11 Mocks, January - Yr13 Mocks, June – Yr10 and Yr12 End of Year Tests

All internal exams are held under external exam conditions

External exams (GCSE, AS Level, A Level and BTEC) are scheduled in May/June

3.2 Timetables

The exams officer will distribute and display the exam timetables for both external and internal exams once these are finalised

For all exams, candidates are issued with a personal exam timetable – showing their exam entries, date and time of exam, length of exam, exam room and seat

4. Entries, entry details, late entries and retakes

4.1 Entries

Candidates are selected for their exam entries by their subject teachers via entry lists distributed by the exam office to subject leader

A candidate or parent/carer can discuss a subject entry, change of level or withdrawal with exam officer and subject leader

The centre accepts entries from external candidates

4.2 Late entries

Entry deadlines are circulated to subject leaders via memos and emails

Late entries must be authorised by subject leaders

4.3 Resits

Candidates are allowed to resit at all levels – in line with subject exam syllabus guidelines

Resit decisions will be made in consultation with the candidates, subject teachers and the subject leaders

(See also section 5: Exam fees)

5. Exam fees

All registration and entry exam fees are paid by the centre

Departments are liable for 50% of the cost of surcharges for late entry or late amendment fees

Reimbursement could be sought from candidates who fail to sit an exam or meet the necessary coursework requirements. Written notification of such intent will be communicated in writing to parents/carers

Resit fees for first and any subsequent retakes are paid by the centre.
(See also section 4.3: Resit)

Candidates must pay the fee for an enquiry about a result, should the centre not uphold the enquiry and the candidate insists on pursuing the enquiry
(See also section 11.2: Enquiries about results [EARs]). All candidates for whom an EAR is requested – must complete and sign the declaration form.

6. The Equality Act 2010, special needs and access arrangements

6.1 The Equality Act 2010

The Equality Act 2010 requires awarding bodies to make reasonable adjustments where a candidate who is disabled within the meaning of the Equality Act 2010, would be at a substantial disadvantage in comparison to someone who is not disabled. All exam centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law

6.2 Special needs

A candidate's special needs requirements are determined by the SENDCO/doctor/educational psychologist / specialist teacher

The SENDCO will inform subject teachers of candidates with special educational needs who are embarking on a course leading to an exam. The SENDCO can then inform individual staff of any special arrangements that individual candidates may be granted during the course and in the exam

6.3 Access arrangements

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the SENDCO – following identification of candidates' requirements
A copy of the candidates' records must be held by the SENDCO for JCQ Inspection Services – Statement, Educational Psychologist Report, IEP, History of need, Copy of application approval, completed Data Protection Notice.

Rooming for access arrangement candidates will be arranged by the Exam Officer in conjunction with SENDCO.

Invigilation and support for access arrangement candidates will be organised by the SENDCO

7. Managing invigilators and exam days

7.1 Managing invigilators

External invigilators will be used for exam supervision in all exams

The recruitment of invigilators is the responsibility of the exams officer

Securing the necessary DBS clearance for all invigilators is the responsibility of the exams officer.

DBS fees for securing such clearance are paid by the Academy

Invigilators are timetabled and briefed by the exam office staff

Invigilators' rates of pay are set by the Assistant Principal who has overall responsibility for all support staff

7.2 Exam days

The exam officer will book all exam rooms after liaison with other users, and arrange set up of rooms

Site management is responsible for setting up the allocated exam halls

The exam office will ensure exam boxes are made up with exam papers and all exam stationery and materials - ready for collection by invigilator

Subject teachers / SLT must be present at the start of the exam to assist with identification of candidates and behaviour. They can offer support and encouragement outside of the exam hall – but teaching staff are not allowed in the exam halls.

In practical exams, subject teachers may be on hand in case of any technical difficulties

Question papers must not be removed from the exam room before the end of a session, they will be distributed to Subject Leaders once the exam papers have been sorted by the exam office staff

8. Candidates, clash candidates and special consideration

8.1 Candidates

The centre's rules on acceptable dress, behaviour and candidates' use of mobile phones and all electronic devices apply at all times

Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage

Disruptive candidates are dealt with in accordance with JCQ guidelines

Candidates may leave the exam room for a genuine purpose requiring an immediate return to the exam room, in which case an invigilator must accompany them.

The exams officer will attempt to contact any candidate who is not present at the start of an exam and deal with them in accordance with JCQ guidelines

8.2 Clash candidates

The exams officer will be responsible as necessary for identifying escorts, identifying a secure venue and arranging overnight stays

8.3 Special consideration

Should a candidate be too ill to sit an exam, suffer bereavement/other trauma, or be taken ill during the exam itself, it is the candidate's responsibility to alert the exam officer or the exam invigilator, to that effect

Any special consideration claim must be supported by appropriate evidence within five days of the exam, for example a letter from the candidate's doctor.

The exam officer will then submit a special consideration application to the relevant awarding body within seven days of the exam, in line with JCQ "*A guide to the special consideration process*"

9. Coursework/Controlled Assessments/Non-examination assessments and appeals against internal assessments

9.1 Coursework/Controlled Assessments/NEA

Candidates who have to prepare portfolios should do so by the end of the course or centre-defined date

Subject Leaders will ensure all work is ready for despatch, by the centre deadline date and the exam office will keep a record of what has been sent when and to whom

Marks for all internally assessed work are input online by the Subject Leaders, again prior to deadline date

See Controlled Assessments / Coursework, Non-Examination Assessments – Risk Assessment Policy

9.2 Appeals against internal assessments

. See Review of Marking Controlled Assessments / Coursework /NEA Policy

10. Exam Contingency Plan

10.1 Ensure that exam office staff, particularly Exam Assistant are trained so that exams continue to run, should the Exam Officer be absent

10.2 In the event of bad weather – 1 member of staff who lives local enough to the academy, is able to walk to the academy

10.3 Should alternative accommodation be required, and where accommodation is limited, the academy will prioritise students whose progression will be severely delayed if they do not take their exams when planned

10.4 Consider whether students may be eligible for Special Consideration – process applications as necessary

10.5 Ensure Exam Contingency Day Letter is distributed to all students taking external exams – via email and paper copy

11. Results, enquiries about results (EARs) and access to scripts (ATS)

11.1 Results

Candidates will receive individual results slips on results days in person at the centre, or if unable to attend by post to their home addresses (candidates to provide sae), or via email

Arrangements for the academy to be open on results days are made by the exam officer

The provision of exam office staff on results days is the responsibility of the exam officer

11.2 EARs

EARs may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking

When the centre does not uphold an EAR, a candidate may apply to have an enquiry carried out. If a candidate requires this against the advice of subject staff, they will be charged.

(See section 5: Exam fees)

In all instances, the signed consent of the candidate must be obtained

11.3 ATS

After the release of results, candidates may ask subject staff to request the return of papers

If a result is queried, the exam officer, teaching staff and head of centre will investigate the feasibility of asking for a re-mark at the centre's expense

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the signed consent of candidates must be obtained

GCSE re-marks cannot be applied for once a script has been returned

12. Certificates

Certificates are posted (first class). Proof of Posting is obtained and held with postal records.

Certificates may be collected on behalf of a candidate by a third party, provided they have been authorised to do so.

The centre retains certificates for one year, after which they are returned to the exam boards.
